

AGREED REPORT - BOARD OF MANAGEMENT MEETING

Date: 23/09/2025

- Thank you to a parent who is running the Marathon in October in aid of the school. A huge thanks to her from all of us here in the school.
- The school is part of the Tesco Community fund in Artaine Castle and Kilbarrack. Thanks to all who support this.
- The Edmund Rice programme has donated €1,500 following an application by us for their funding programme. This will be used to purchase an Airtrak (Sensory equipment) for the students.
- We sadly lost a former SNA and friend during the summer, sympathies to her family.
- Emergency lighting installation took place during the summer.
- Thank you to all parents who have sent in their voluntary contributions.
- Welcome to our seven new students who started this September.
- A selection of students have been invited to attend a Cinnealtas Showcase in Croke Park on 12th November. This is a great opportunity to display how we show kindness in the school.

Signed:

Secretary to the Board of Management
