## Dear Parent/Guardian,

As you may be aware, The Lunch Bag will now be serving free hot meals into your school. This means that all children will be able to choose their school lunch from our easy-to-use app.

These meals will save you time and money as well as keeping your kids healthy & happy. And did we mention the food and packaging waste you'll be saving?

On the other side of this leaflet you will find instructions on how to order and above, details on how to contact us should you require any help.

We really look forward to becoming part of the school community and hope both you and your child are excited for your new school lunch experience!

Kind regards,

**THE LUNCH BAG TEAM**

CUTLERY & COMPOSTABLE
