Supporting your child's learning – **Year 5**
June 2024 – Mrs Mulligan

Your child is learning:

- To develop lively, active minds by partaking in **Year 5** mental maths/Literacy morning challenges.
- To consolidate their knowledge and understanding regarding Weight and Volume.
- To know the process for multiplying decimals by 10/100.
- To complete written problems associated with Number, including long multiplication.
- To revise any areas of Mathematics requiring further consolidation work.
- To complete Comprehension, Reading, Spelling and Writing & grammar skill activities through completion of texts supplied.
- To listen to and discuss class novel 'Noah Barleywater Runs Away'.
- To revise grammar rules taught this year.
- To complete a range of activities in relation to 'Summer'.
- To complete Art and Crafts activities for Class Art competition and Summer.
- To participate in daily exercises and fun activities in order to sustain healthy bodies and minds.
- To participate in Sports Day and Afterschool Multisport activities.
- About the importance of **Friendship** - our monthly value for June.
- To develop **Creative skills** through drawings, designing posters, postcards etc.
- To complete the 'Helping Hands' programme.
- About the importance of 'Keeping Safe in the Sun' and 'On the Farm' during the Summer months.
- To appreciate the changes in nature during the summer months.
- To appreciate their own achievements and those of others by attending the Annual Prize Giving Ceremony.

You can help by:

- Helping your child with his/her home-school work: content, presentation and proof-reading.
- Encouraging him/her to self-correct work and to seek help where needed.
- Checking your child's work for accuracy and consolidating any areas they are unsure of.
- Encouraging your child to present their work in a neat, well-presented manner with attention given to punctuation, grammar and spelling.

- 
- Revising Tables & spellings with your child daily/nightly.
 - Reading with your child regularly & discussing content & themes.
 - Helping with themed work in Maths as mentioned above.
 - Discussing the importance of **Friendship** in their lives and what it means to be a good friend.
 - Encourage your child to exercise daily and to partake in fun activities to develop healthy minds and bodies.
 - Discussing the dangers On the Farm and In the Sun during Summer and how to keep safe.
 - Reinforcing the importance of good behaviour towards others at home and in school.
 - Praising your child and acknowledging achievements made throughout the year and at prize giving and on Sports Day.
 - Helping to develop their **Creative Skills**.
