Dear Parent/Guardian,

A parent has kindly made the school aware of **Asda's Cashpot for Schools Scheme** which runs until **30th November, 2024**.

Asda, in partnership with the charity **Parentkind**, will donate money to our school every time a customer uses the **Asda Rewards App** before paying for goods in store or online. This donation does not affect your own Asda Cashpot Earn – it is in addition to it.

We have registered our school for the scheme. Please click on the link below and follow the 3 easy steps. Please note that **you must select our school as your chosen school** for us to receive the donation. All donations will be debited directly into our school's bank account.

Please spread the word to all your family and friends. This scheme is taking place for a **limited time only** – up to **30th November, 2024** – so we want to make the most out of it.

As I'm sure you are aware, school budgets are extremely tight and every penny counts. We would really appreciate your support with this scheme. All proceeds will be spent on resources for the children.

Yours sincerely,

Keira McCallan
