

JUNIOR SAVERS SCHEME

Dear Parent,

Here at Fintona Credit Union, we are passionate about helping the youth secure a brighter, financial future. Encouraging children to manage and save money is one of the most important things they can learn.

With the rising cost of living, we are here to support without adding pressure. Our Junior Savers Scheme is vital for our community, but we need your involvement to make it a success.

We are proposing visiting the schools on the first Tuesday of every month to collect your child's savings and booklets. This will continue from Tuesday 5th November 2024. We will return the booklet on Tuesday afternoon so your child will have it back home safe. We will also provide clear wallets for the children to keep their money and booklet safe.

The classes we will collect from are P5, P6 and P7. There is no minimum or maximum amount but if your child has a large amount of money to save, they are more than welcome to call into the office with their parent and lodge the money into their account with our friendly team.

To open an account for your child, we would ask you to call into the Credit Union office and bring your child's long birth certificate and a proof of your address.

Join us in empowering the next generation with financial skills. Contact us to discover how your child can benefit or if you have any other questions, we are always here to help.

Yours sincerely,

Leanne Maguire

Manager
