Safer Internet Day Help other pupils remember their SMART Rules for Safer Internet Use by creating and printing some posters.	Take a digital break. Mindfully stepping away from your digital devices for short periods of time during your day allows you to feel more focused and centred when you do plug back in.	Creating a photo album can help show someone how much you appreciate them by reminiscing about all the fun things you've done together.	Dust off those board games and spend some time together having good old fashioned fun. Being part of a game makes children feel included and encourages lots of communication and interaction.
Week Two 10 th to 14 th February	Read one of your books or read a book/story to someone else.	Make some buns for a friend or an elderly relative. I'm sure they would really appreciate it.	Wake up with the attitude that today will be a great day and put a positive spin on every negative thought or comment. Encourage others with your positivity.	Thank someone – even if it is for something small. It might really make their day.	Valentine's Day Spread the love by complimenting a friend or family member.
Week Three 17 th to 21 st February	Go somewhere with your family (even your garden) and walk in silence, listening for sounds you typically: birds singing, branches swaying in the breeze, your own steady breath, etc.	Take your pet or the pet of a relative or neighbour for a walk in a forest or park.	Clear out the clutter. Take some time to clear away things you no longer use. Perhaps your unwanted items could be given to charity.	Go to bed in good time and allow yourself time to recharge ready for the next day. Before you fall asleep, think about all those things which you have been thankful for today.	Build play into your everyday routines. Play games whilst tidying up, washing the dishes, or doing the laundry. Play games in the car such as spotting certain types or colours of cars, shops, animals etc
Week Four 24 th to 28 th February	Do some stretches. Your body can benefit from simply standing up, stretching your muscles and moving around for a few minutes.	Make a card or a gift to thank someone special.	Help someone at your table in school or a colleague at work. Being kind will give you a boost too.	Write a poem to say Thank You to someone who cares for you or helps you in school or at home.	Connect with nature. Make some bird kebabs and watch some garden birds feast on them.
