Dear Parent,

I hope this letter finds you and your family safe and well.

You will have recently received your child's placement letter for their Post-Primary school and I trust that all pupils are happy with their placement.

Mrs. Barrett and I are missing the Year Seven pupils immensely. We hope that they have been enjoying the home learning work on our website and that they are getting lots of opportunities to learn outside in the beautiful weather.

Unfortunately, we are unable to have our Annual Achievements Assembly, Leavers' Mass and end of school trips and sporting events at present. However, we hope that we will be able to arrange a celebration to mark your child's seven years at our school, when restrictions are eased.

Mrs. Barrett and I have decided that Friday, 12th June will be the last day that pupils will receive structured daily lessons on our website. Thank you for completing the work and for sending in your wonderful photographs. An evaluation of our home learning arrangements will be issued shortly and we would encourage you to participate. Your opinion matters to us and your feedback will help us to plan ahead.

When you collect your Year Seven child's books and reports later in the week you will also be given a summer pack for your child to complete. This pack will contain resources that he/she can work on over the summer holidays, in

'We learn to love and love to learn.'

preparation for transferring to Post-Primary in September. Appropriate resources and activities on our website will also be signposted. It is totally up to parents how you use the materials. We hope you will find them useful.

We will be in touch again before the end of term.

Take care and keep safe.

Yours sincerely,

Keira McCallan
