

# St Laurence O'Toole's National School - *We aim High*

## Areas of Concerns & Pathways for Parents Document.

### Concern over Anxiety

#### Steps

1. Recommend a visit to discuss with the child's GP to potentially discuss Lucena or a referral to CAHMS via their doctor.
2. Keep the class teacher informed of any further developments.

### Concern over: Social issues, Communication issues Emotional issues, Cognitive or physical development, and/or mobility issues.

1. Parents arrange to meet class teacher and AEN teacher to discuss possible recommendation for external referral.
2. Onward referral is discussed with the between and relative school personnel
  - a. Complete forms for referral through the new process with the:
    - i. Children's Disability Network Team (CDNT team - previously the Early Intervention and School Age Team) for the Wicklow area
    - ii. <https://www.enableireland.ie/services/service-centres/wicklow> with parents.
  - b. Assessment of Need - Parents Apply. Ring (Assessment Officer, Wicklow **(0404-60720)** for advice)
