Areas of Concerns & Pathways for Parents Document.

Concern over Fine or Gross Motor

Steps

1. Parents meet with Class teacher and link SET to discuss possible recommendations for external referral to Occupational Therapist.
2. Complete forms for referral through the new process with the:
 - a. Children's Disability Network Team (CDNT team - previously the Early Intervention and School Age Team) for the Wicklow area
 - b. <https://www.enableireland.ie/services/service-centres/wicklow> with parents..
3. Parents to keep class teacher informed of any further developments and to supply their class teacher with any additional teacher questionnaires that need to be filled in alongside the referral.
4. An OT may request a class visit to observe the child later in the process.
