

Let us tell you all of the place that we call home
It's a beautiful town in the heart of old Tyrone
It's got so many things
And they make us all so proud
Let us take you there
And we're going to sing it loud

Come and see the parks here
And our many football teams
There is so much to enjoy here
You can view the church and steeples
Take a tour of the Hill of O'Neill
Feed the ducks around the Black Lough
And grab a meal

We just love our town
We've made so many friends it's true
From all over the world
And we're learning all things new
We just love our home
And we want to say to you
You are welcome here
And we'll sing it out to you

Welcome to Dungannon..Bem Vindo
Hope you enjoy your time here-Ola, Fáilte
We're so pleased you've come to join us..Sveiki, Witamy
You can view the church and steeples
Take a tour of the Hill of O'Neill
We know that you'll feel welcome
Laskavo Prosymo

Dungannon, it's so cool
It's the place we live and we go to school
It has a park, a youth club and a pool
And if you come from here
You know you rule!
