Join us for:

Rise then Shine (Before School)

The perfect start to your child's school day! We set the tone for a great day at school through an array of energising activities and some delicious and nutritious breakfast.

Junior/Infant Hour (After School)

Avoid multiple trips for school collections. We collect Junior & Senior Infants, keeping them entertained until older siblings are picked up.

Stay and Play (After School)

Kids can dive into more fun activities, building lasting friendships and creating memories beyond the classroom, all before heading home for quality family time.

Holiday Programmes

We provide a stimulating environment for children during school closures, promoting exploration, physical activity, skill development, and an enjoyable experience overall.

Affordable - We accept the NCS!

The NCS subsidy is available to all children attending Sherpa Kids, starting at a minimum of €2.14 off your bill per hour of attendance from September 2024. We can support you with the easy steps to apply for the NCS to help make childcare affordable.
