WORKING TOGETHER POLICY

This policy was adopted by the Board of Management of the Muslim National School at the October 2024 meeting. It is the updated version of the original *Working Together* procedures that had been in place in the school since 2000. In adopting this policy, the Board of Management acknowledge the work of the Primary Management Bodies and the INTO who have engaged extensively in conducting a review of the *Working Together* Procedures. This policy provides a process in which disputes can be addressed and in which positive staff relations can be fostered in the Muslim National School.

The policy can be accessed [here](#).
