Substance Use Policy

Introductory Statement:

This policy was formulated by the staff, Board of Management and parents of Kilbrittain N.S were involved.

Rationale:

This policy on substance use is important in order to develop a shared understanding of the term 'drug' and to define the school's agreed position in relation to drug related issues. The formulation of this policy will help to equip the school community of Kilbrittain N.S. to deal with issues relating to substance misuse in a planned and considered way and in accordance with statutory responsibilities.

Relationship to characteristic spirit of the school:

Kilbrittain N.S. seeks to enable each child to develop his/her potential and to provide a safe and secure environment for learning.

Aims:

- To ensure the welfare, care and protection of every young person as provided for in the Education Act, 1998 and the Education Welfare Act 2000.
- To provide pupils with information and skills through engagement with the SPHE curriculum.
- To ensure that the school complies with legislative requirements and principles of good practice
- To manage drug related incidents in a planned manner
- To support parents and pupils in addressing drug misuse.

Content of Policy

1. The current provision regarding alcohol, tobacco and substance use education is as follows,

- Information on alcohol, tobacco and substance use is linked to SPHE objectives
- Kilbrittain N.S. defines the term 'drug' as any substance , which changes the way the body function –mentally, physically or emotionally

- Pupils are monitored and supervised by staff at all times during school hours
- The school promotes awareness of substance misuse and may invite speakers to deliver talks in the presence of the class teacher
- Education concerning substance use is delivered through specific modules in Religious Education and 'Walk Tall' programme for 3rd to 6th classes
- The entire school community is supportive of a substance use policy in Kilbriain N.S.

2. The management of substance –related incidents

- The most likely incidents to occur would include disclosure about use, possession and/or supply on the school premises or during a school related activity.
- The principal establishes facts of incidents and relates to relevant staff members.
- Staff trained in First Aid are called upon if medical intervention is required
- Teachers are made aware of the need for confidentiality and the use of appropriate reporting procedures as per the Code of Behaviour and Child Protection policies
- Procedures for involving parents/guardians, parents are informed of incident; chairperson of the Board of Management is informed. Gardai are involved where the Board of Management establishes an incident as serious
- Gardaí visit Kilbriain N.S. annually and address senior classes before transition to second level
- All media inquiries are referred to Chairperson
- Outside agencies available to support staff and pupils includes NEPS.

3. Legislation

The relevant laws to Kilbriain N.S. are the Misuse of Drugs Acts, 1977 and 1984. Offences under these acts include "Possession with intent to supply" and "Possession for personal use"

4. Staff Development

- There is shared understanding of the contribution SPHE can make to the prevention of substance misuse
- Staff are aware of the contribution they can make to the prevention of substance misuse within their own classrooms e.g. by developing a supportive class/school environment
- Staff are made aware and sensitive to the signs and symptoms of substance misuse.
