23<sup>rd</sup> February 2026

Dear Parent/Guardian,

You may already be aware that the Department of Education is proposing a number of significant changes to the education system. As part of this process, the school curriculum is undergoing transformation through a programme known as **TransformEd**.

To support schools in preparing for these changes, the Department of Education has allocated two additional School Development Days—one to be taken during Term 2 and the other during Term 3.

To ensure minimal disruption to pupils' learning, we plan to take the first of these days on **Wednesday 18th March**, which will extend our St Patrick's Day holiday.

**School will be closed to all pupils on Wednesday 18th March** to allow staff to work collaboratively on planning for curriculum transformation through TransformEd.

The date for the second additional School Development Day in Term 3 will be confirmed with you in due course.

Thank you for your continued support and understanding.

Yours sincerely,

---

**Mr Tomás McKee**  
**Principal**
