Appealing to both boys and girls, those attending the club will experience a range of sports during the programme, as well as developing their physical and emotional literacy at the same time. From Gaelic football to athletics, dodgeball to basketball, and rugby to American football, there will be a different emphasis every week

Sessions are expected to be very well attended, places are limited. Each session will cost **£3.00** and this is to be paid up front to ensure a place; programme will run for **10 weeks**. Dates are:
