## Changes to School Meals Menu:

From **Monday 13 April 2026** the school meals service is introducing a new choice menu. Each day there will be **2 main course options** to choose from for your child's school meals. The new menu will be available to view on the school website from **Friday 27 March**. It will also be on Parentpay when you are ordering your child's meal. A copy has also been attached with this email.

When ordering a meal, **parents** must select the meal of choice for their child, and **it is very important that pupils are made aware of which meal has been selected for them when they come to school.** Pupils will only receive the meal which has been ordered by their parent.

We would stress once again that **ordering of meals remains the responsibility of parents,** and this must be done on Parentpay **before 9:00 am each day.** You will not be able to place an order on the day after this time. **Free school meals pupils are also required to order and select their meals.**
