

Support for Parents and Pupils

How to assist your child at home

This page provides a list of resources that you may find useful as you assist your child with learning during school closures due to Storm Eoywn.

The links below will take you to a range of different websites that will provide information for you that may be useful to you.

The Department is not responsible for the content of the resources linked on this page and a listing here does not necessarily constitute endorsement by the Department.
