mdpics

are pleased to offer a formal studio style
portrait photograph service to the families taking
part in the Sacraments of Confirmation and First Holy Communion on the above days.
We will be based in the hall next to the Chapel before the mass and after.

We will give each family who wishes to use our service a short professional photo session with a
number of different poses which can include photos of all the family members attending as well.

We aim to be available from approximately 30 mins before mass and will resume around 10 minutes
after the end.

We would like to arrange an appointment system so that families will be socially distanced and not
have to wait in a long queue.

There is nothing to pay on the day and there is no obligation to buy.

Proofs of your session will be uploaded to a password protected page on our website for you to
view and choose your favourites.

Please see some examples of our prices and
special offer packages on the next page.

If you require a size that isn't mentioned then please ask.

Can you please contact us as soon as possible so that you can make
your booking for your chosen date.

Thank you and we hope you enjoy the special day.
