

# Celebrating Diversity at Saints and Scholars!

**Celebrating Cultures,  
Connecting Communities**

## Message from the Chair

The Parents' Council at Saints and Scholars is thrilled to share details of our upcoming Multi-Cultural Celebration, which will take place at the school over the coming weeks.

This special event (funded through a Take500+ grant) is designed to honour and celebrate the rich diversity within our school community. It will be a wonderful opportunity for pupils to come together, share traditions and learn about the many cultures that make our school so unique.

We hope every child enjoys a fabulous - and educational - experience through the workshops and activities planned. Thank you for supporting this exciting initiative! And thank you as always to the Principal and staff. We couldn't do any of this without you all!
