Monday 7th October, 2024

Dear Parents,

We only have to watch the news to know that it has been a difficult year for many people, especially children living in the Developing World. Therefore, as a school, we have decided to take part again in the Christmas Shoebox Appeal 2024, organised by Drop Inn Ministries and Team Hope.

Children are asked to fill a shoebox with which will be delivered to children affected by poverty in Africa or Eastern Europe. It is an opportunity to share a little joy and excitement with children who live in very difficult situations and might never have received a gift before.

All the children will bring home a leaflet today which has further information. When you have your filled wrapped shoebox with some small gifts, please bring it into school and we will make sure that all are collected from the school.

We would ask that all shoeboxes are in school by Thursday 24th October.

Thank you very much for your kindness and generosity.

Kind Regards,

Eileen Ward
Principal
