Dear Parent/Carer,

RE: Education Authority (EA) Communications and Engagement Survey

Please see below a short survey the EA has shared for the attention of parents/carers which I would encourage you to consider providing feedback on.

The EA are developing a new Communications and Engagement Strategy and are very keen to get your valuable insights, experiences and views in relation to how they can improve communications with you.

This is really important for supporting children and young people and their families throughout their educational journey.

You can access the survey at:

<https://forms.office.com/e/BQ6XnbrwXt>

This will take approximately 15 minutes for parents/carers to complete and will close **at 16:00 on Friday 31st January 2025.**

Thank you for taking the time to consider this request and for helping to help support this important work.

Kind Regards,

Eileen Ward
