

St. Mary's News January 2026

Wednesday 7th January 2026

Dear Parents,

I hope you all had a peaceful Christmas and family time together. From listening to the children, Santa was very good to everyone in Dunamore!! It is hard to believe the holidays are over, but the children are now settling back into Term 2 and are encouraged to be at school every day and try their very best.

Christmas Cash Call

The Christmas Cash Call was a great success. A sincere thanks to all who took part and congratulations again to Claire Mc Crory who won the £250 prize money!! The profit raised for school funds was £1150. This will help towards buying resources for the children. We hope to repeat this again before the end of the school year.

Health and Safety in Winter Weather

At this time of the year the weather can be unpredictable from day to day. I would ask you to remind your children to bring their coats to school so that they remain warm when playing outdoors at break and dinner time. We always try to do a risk assessment on the safety of the different school yards at this time of the year especially before outdoor play. Even with that, accidents can happen. I would ask you to remind your children to be mindful of safety when playing and running outside at school especially in winter weathers.
