

# OPERATION TRANSFORMATION

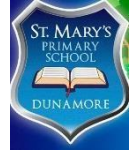

**WE NEED YOUR HELP!**

## We need YOUR help!

Dear Parents/Guardians,

We are conscious that our play resources in the Foundation Stage playground have become very limited and feel that our pupils really deserve better-quality outdoor play.

We are launching **OPERATION TRANSFORMATION** in the hope that, with your help, we can transform the Foundation stage Playground so that pupils will be provided with enhanced opportunities to socialise positively, explore and problem solve, be creative and imaginative, and experience success!

**OPERATION TRANSFORMATION** is planned to take place this third term.

In preparation for this, we will really need your help!

As you can see from our proposed Yard Plan, we have a lot to do!

If you think you can assist in any way, please add your name to the appropriate box on the **OPERATION TRANSFORMATION** Interest List displayed on the Primary 1 Class Door, or alternatively call the office to leave a message with your name and number.

On **Wednesday 1st – Friday 10<sup>th</sup> of May**, the Reco Box at the front of school yard will be open during school hours for anyone who wishes to deliver resources or donations. Any resources that are of larger size can be arranged to be delivered to the outdoor canopy area at the back playground (Primary 1/ 2 Area).

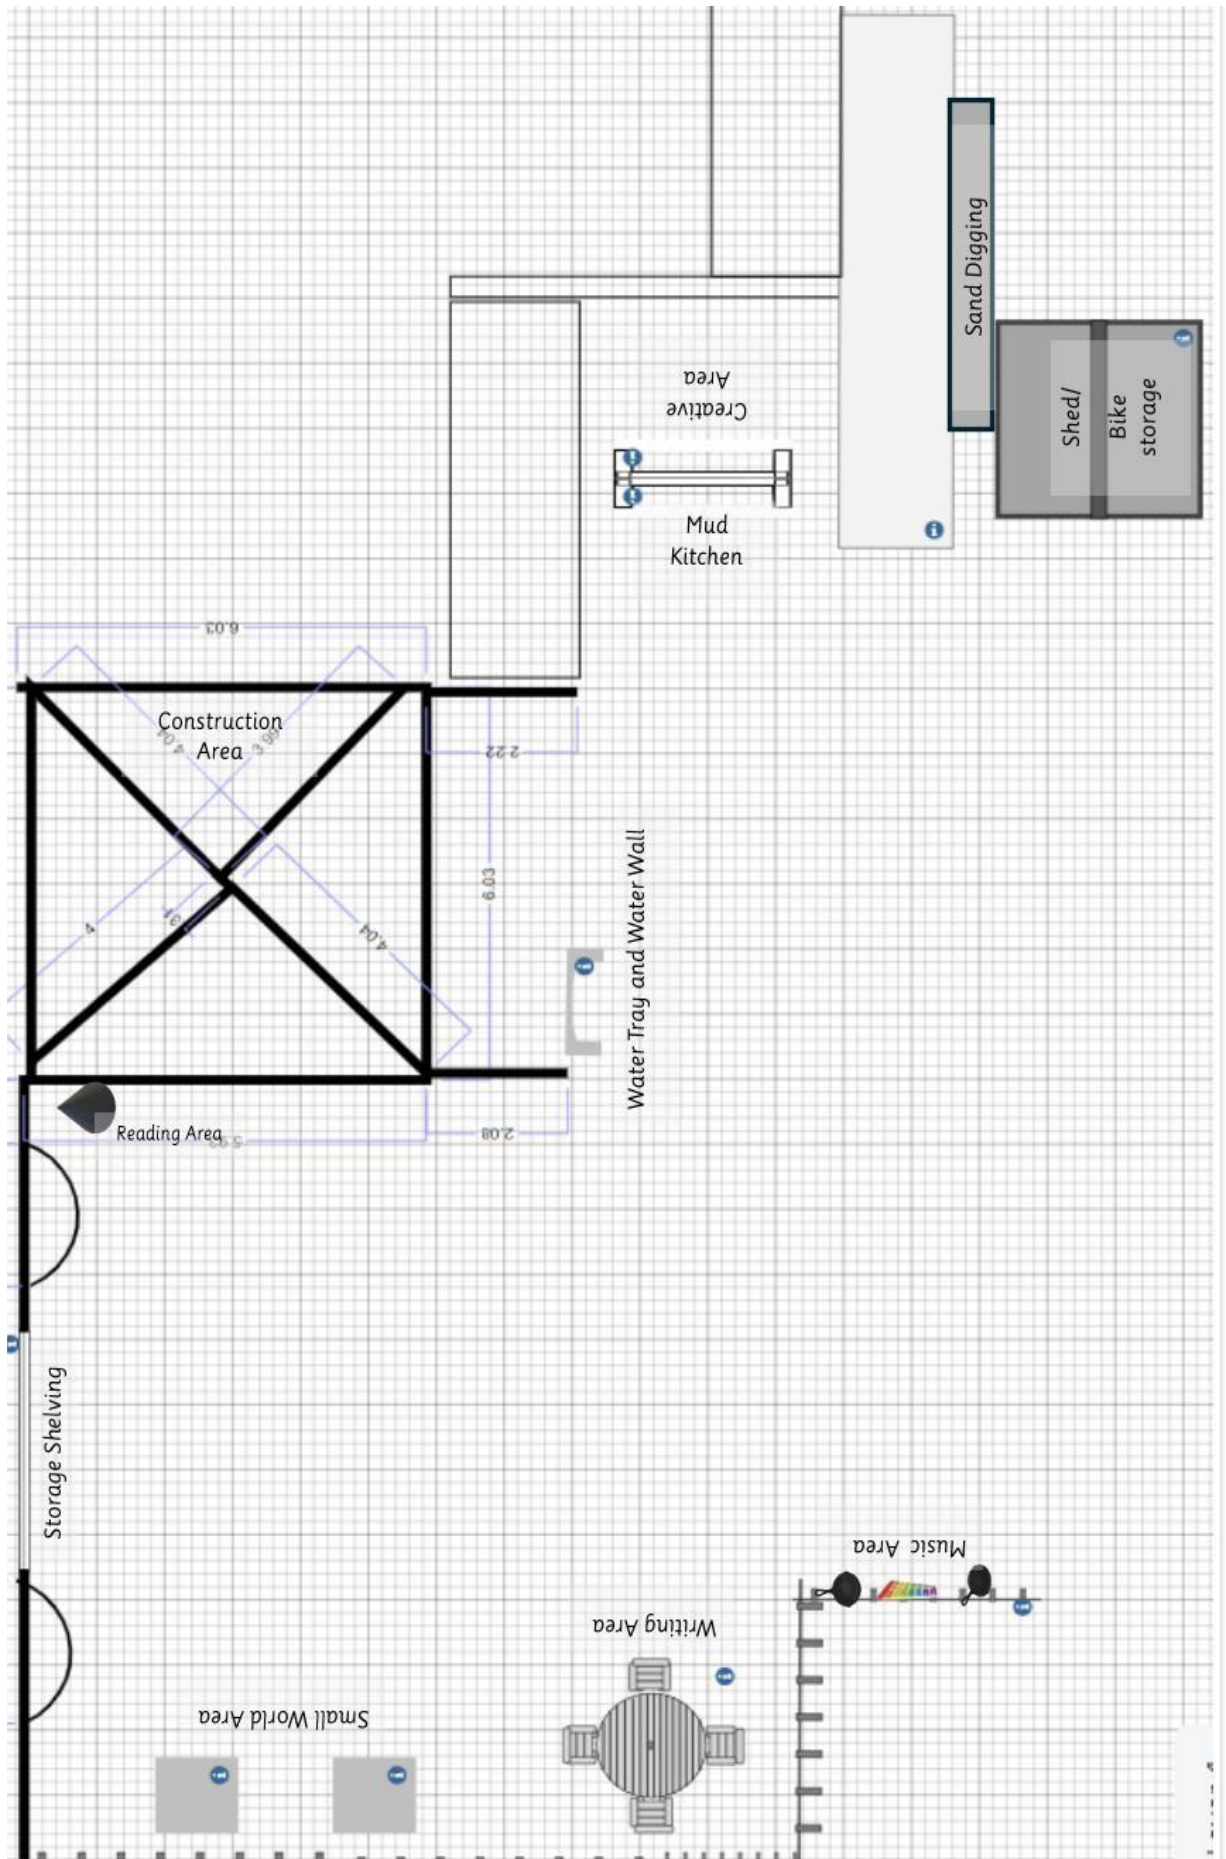

Kind regards,

The Foundation Stage Team.
