

Update on end of Post Primary Admissions Procedure

We would like to thank you and your staff for your support in guiding and assisting parents with their applications for a Post Primary place for their child.

Notification Day - Saturday 18 May

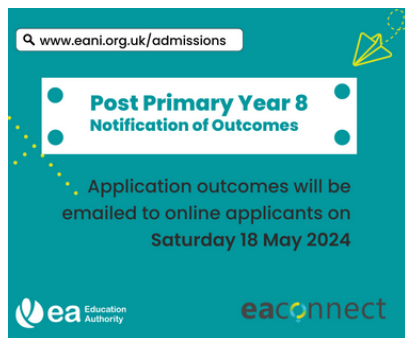

An email will be issued on the morning of Saturday 18 May, notifying parents of the outcome of their child's application. An email will be sent on Tuesday 14 May to parents who applied online, or provided an email address on their paper application, to advise them of this arrangement.

Signposting within each email will guide parents to advice and support, where needed.

The EA will write to those parents who have applied via a paper application to notify them of the outcome of their child's application.

Please note, parents cannot indicate acceptance or refusal of a place offered via EA Connect. If any Post Primary school requires confirmation, they will contact parents with instructions on how to respond.

Parents will be advised that the offer of a place may be conditional on providing verifying information. Again, should a Post Primary school require verification documents, they will contact parents directly.

Admissions

We appreciate the pastoral support you provide to your pupils throughout the year and understand that this is an anxious time for your pupils and their families; we therefore seek your assistance to help support any parent/guardian, particularly in the event of their child not yet being placed in a post primary school. I would be grateful if you could share the key messages, overleaf, with parents of your Primary 7 pupils.

Children not yet placed in a school

Parents whose child has not yet been offered a place will be able to submit further preferences via EA Connect for consideration by post primary schools with places available. A list of schools with places available will be accessible on the [EA Website](#) on 18 May 2024.

A dedicated helpdesk number will be shared with parents of pupils who have yet to be offered a place.
