

INTERNET

MY INTERNET
SAFETY
PROJECT

PROS

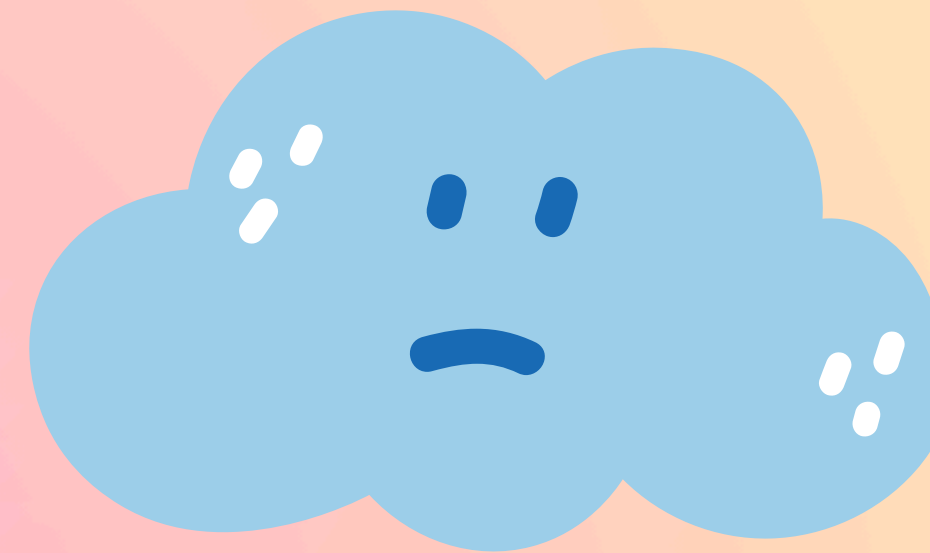

PROS ARE WHEN THERES
ADVANTAGES OF THE INTERNET FOR
EXAMPLE YOU CAN DO SCHOOL WORK
ON A LAPTOP BUT YOU CAN ALSO
HAVE FUN AND PLAY GAMES ON AN
IPAD THERES LOTS OF DIFFRENT
ADVANTAGES OF USING THE
INTERNET YOU JUST NEED TO MAKE
SURE TO STAY SAFE

**THE INTERNET IS FUN AND ALL BUT
SOMETIMES IT CAN BE VERY
DANGEROUS
BECAUSE THERE IS LOTS OF BULLYS
AND RUDE PEOPLE OUT THERE WHEN
YOUR TEXTING OR PLAYING GAMES
JUST MAKE SURE TO STAY SAFE AND
IF SOMEONE IS BEING MEAN DO NOT
RESPOND AND TELL AN ADULT
STRAIGHT AWAY**

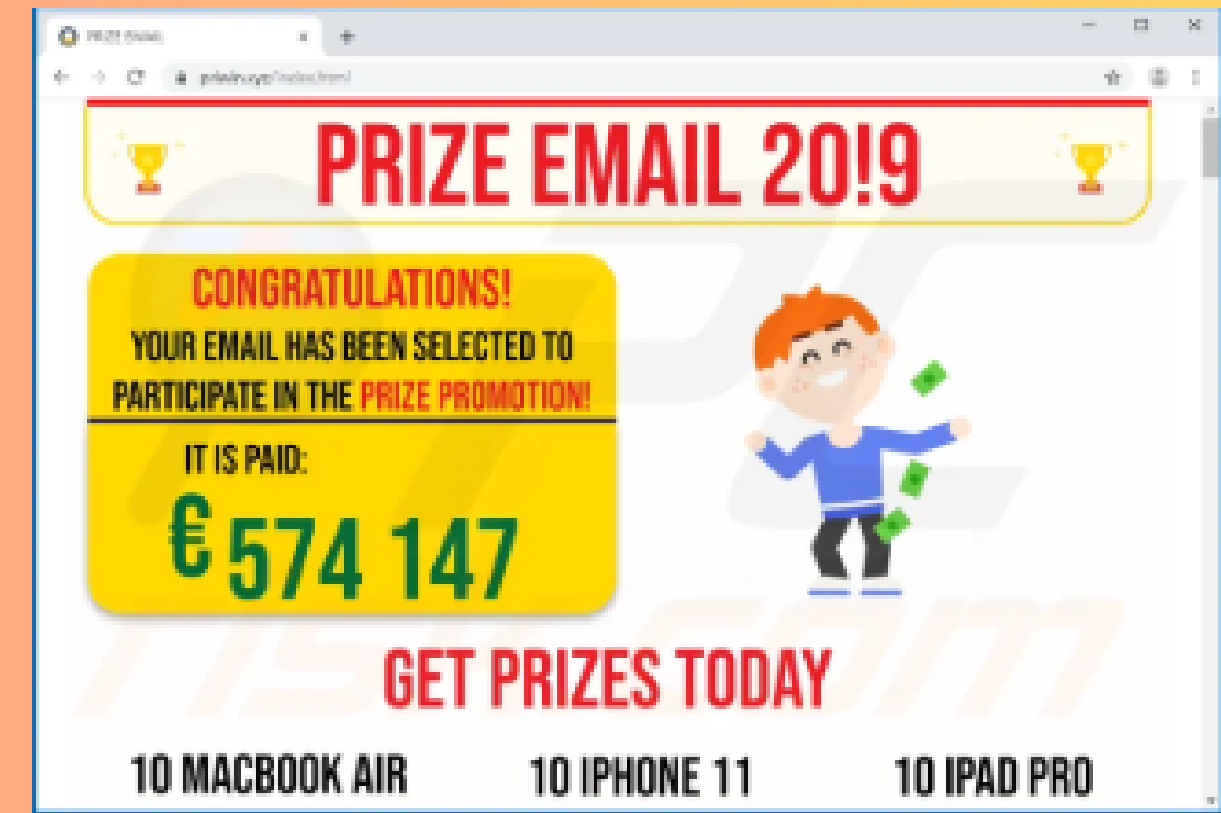

CONS

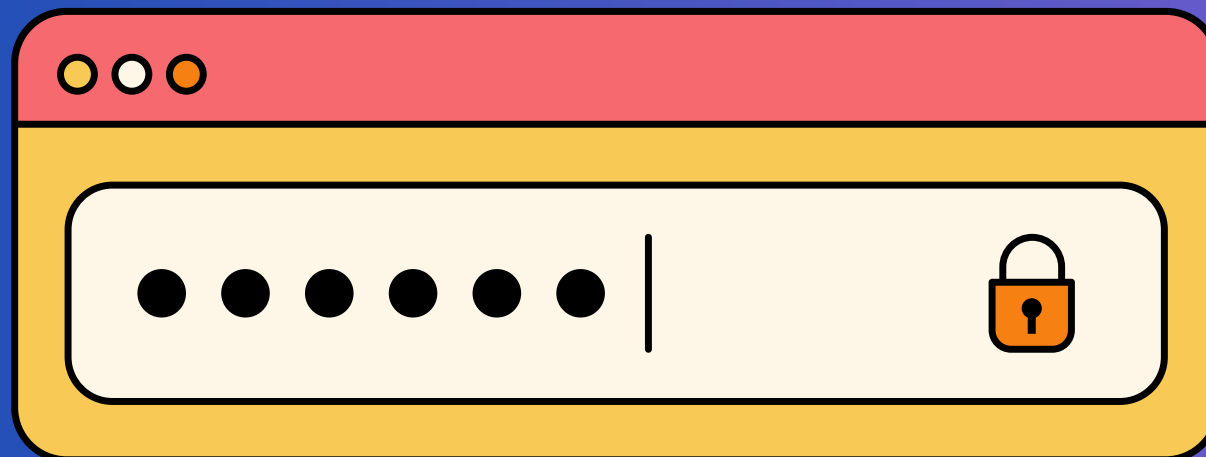

SCAMS ARE WHERE THERE IS SOMETHING ON THE INTERNET THAT LOOKS TOO GOOD TO BE TRUE AND THEY PROBABLY ARE BECAUSE THERE'S USUALLY A HACKER BEHIND IT IF SOMETHING POPS UP LIKE A POP UP ADD DO NOT CLICK ON IT BECAUSE IF YOU CLICK ON IT THE HACKER COULD GET YOUR PERSONAL INFORMATION SAY IF THERE IS SOMETHING LIKE CLICK ON THIS AND YOU WILL GET 1 MILLION EURO ITS FAKE NOW OF COURSE YOU CAN ENTER COMPETITIONS JUST MAKE SURE IT LOOKS REASONABLE AND THAT IT DOES NOT LOOK FISHY MAYBE DO SOME RESEARCH TO SEE IF ITS SAFE BUT JUST TRY NOT TO IF ITS ON YOUR FAVOURITE RADIO STATION AND EVERYONE AROUND THE WORLD IS ALLOWED TO ENTER OR JUST YOUR COUNTRY IF YOU WANT TO ENTER YOU CAN BUT IF ITS A POP UP ADD OF SOMETHING THAT LOOKS A BIT FAKE TRY NOT TO CLICK IT BECAUSE ITS NOT SAFE

SCAMS

PASSWORDS

PASSWORDS ARE WHEN YOU HAVE SOMETHING TO SECURE YOUR PHONE OR TABLET OR ANYTHING ITS JUST SOME SECURITY PASSWORDS NEED TO BE STRONG BECAUSE IF THERE NOT SOMONE CAN HACK ONTO YOUR DEVICE A STRONG PASSWORD WOULD BE SOMETHING LIKE ##1!MY DOG#1234 ITS A STRONG PASSWORD BECAUSE ITS LONG IT HAS CAPITAL LETTERS AND IT HAS NUMBERS AND SPECIAL CHARACTERS SO ITS HARD TO GET INTO BUT A PASSWORD LIKE 1234 IS VERY EASY TO GET INTO AND NOT SECURE SO MAKE SURE TO HAVE ASTRONG PASSWORD.

THANKS FOR WATCHING
