#### March 2024

Our monthly class Assembly was led by P7 at the start of the month when they shared many facts they have been learning in their topic about The Titanic. Many of the children demonstrated their own personal talents too.

Many of our pupils performed at Coleraine Music Festival, this was either as part of one of the three choirs or performing in solo entries. This took place from 4th—8th March. We were very proud of each and every one of them.

It was lovely to invite Peter from The Food Bank back into school to receive all the items that had been sent in, thanks to you all for this.

At finals day the football team played exceptionally well getting into the semi finals and losing narrowly on penalties. Well done to the team and Miss Kane.

On World Book Day (Thursday 6th March) Miss Dodwell had organised a fun day for everyone. We all came to school in our pyjamas, had juice and toast for break and had a visit from a local librarian. Classes also heard stories from other teachers and older children.

P6 & P7 had a great day out at JDLC for The Celebration of Sport.

The PSNI came to visit school and chat to the children about internet safety, this was a great learning experience for all.

The Girls' Football Team had a great afternoon at the football blitz and played really well.

Our extra-curricular programme for Term 2b took place from Monday 26th February and continued throughout March. This block included Cookery, Hockey, Transfer Club, Coding Club, Books and Puzzles and Ulster Scots.

Primary 7 continued their swimming lessons on Tuesdays.

#### Staffing Update

The Board of Governors have now recommended two permanent teachers for the vacant positions—one for P1/2 position and one for the Principal Relief. Once all documentation has been ratified the Board of Governors will write out to you as parents to let you know.

#### Thanks to The PTA

Our PTA organised the Smarties collection. Each child was given a tube of smarties and it was requested that one tube per family be returned with 5ps or 20ps. A great amount of just under £400 was raised. Thanks to the PTA for organising this and also to you the parents and pupils who worked hard to get your smartie tubes filled. It is really much appreciated and will go towards valuable resources for school.

### 3P Program Awards, Pupil of The Week and Principal Awards

Primary 7 have enjoyed building models of The Titanic and making water colour pictures.

### Primary 4 have been busy!

#### RE-ENACTING THE STORY OF THE PAPER BAG PRINCESS

### Girls' Football Team busy!

### Easter Fun Day

### Celebration of Sports

### Talk from PSNI

### Cookery Club

Primary 3/4 have been very busy with their Castles topic.

Some of World Book Day fun.
