Dear Parents/Guardians,

As part of our ongoing commitment to promoting internet safety and in line with our school policies, we are pleased to invite you to a Parent Internet Safety Workshop, hosted by **Deborah Webster** from **Thrive Academy**.

Deborah will work with our **Key Stage Two children** during the school day and in the evening then offer practical advice and guidance to **all parents** on key topics such as social media, online gaming, privacy and cyberbullying - empowering you to support your child's online wellbeing.

We strongly encourage all parents and guardians to attend, in order to demonstrate our shared commitment to keeping children safe online.

Refreshments will be provided and we look forward to welcoming you to what promises to be a highly informative and worthwhile evening.

Reminders will be issued closer to the time and we kindly ask that parents/guardians who plan to attend **complete the attendance form below:**
