WELCOME BACK!

Welcome back to all our boys and girls, and a special welcome to our new pupils who have joined St Mary's Primary School and Nursery Unit. We know they will love St Mary's!

It is wonderful to see all the classes back at school with lots of stories to tell about their summer fun. We are delighted to welcome new staff to the school: Miss Ciara Monaghan (P4 teacher) Mrs Tara McNamara (P3 teacher) and Miss Hannah Byrne (Assistant). We trust they will be very happy at St Mary's.

We are all so proud to see all the classes looking so smart in their new school uniform. We hope to encourage and reward full school uniform as the year progresses. We ask that uniforms be **clearly marked with the child's name and class**. There is a white band on the inside collar of the half-zip which is very suitable for writing the child's name.

Beginning of the School Year Mass 2024-2025

St Mary's PS NU and St John Bosco PS will be celebrating the
Beginning of the School Year Mass
on Wednesday 25th September 10am.

The mass will be held at St Mary's Church.
Parents are very welcome to attend, or tune in on the webcam
<https://bellaghyparish.com/webcam>

Children in Primary 1-7 will be attending.

P1&P2 will be bused to the chapel.

P3-7 children will need coats as they will be walking to the chapel.

All children will sit with their teachers in the front pews.

NUT FREE POLICY

We have staff and pupils in school with nut allergies.

As a result St Mary's is a 'Nut Aware – Nut Free School'. Please be vigilant when packing snacks and lunches to ensure that no nuts come in to the school.

Please **DO NOT** send your child into school with any nut-based products – this includes:

- | | |
|--|--|
| <ul style="list-style-type: none">• Peanut jelly• Nutella based products• Spreads, e.g. chocolate spread• Cereal bars | <ul style="list-style-type: none">• Some types of biscuit containing nuts• Condiments, e.g. satay sauce• Cakes containing nuts• Some snack pots containing nuts |
|--|--|

It is important that you check the labelling of food products before sending these to school as it is not always apparent that products contain nuts or traces of nuts. We also ask that, if your child consumes any nut-based product before school, they wash their hands thoroughly and rinse their mouth before entering the school grounds. Thank you for your continued support.

HOME/SCHOOL COMMUNICATION

Our new school website has a communication app which allows messaging, letters and links to be sent directly from the class teacher.

It allows each pupil to have up to two contact numbers who will receive the information.

Tomorrow all children will receive a copy of the contact information the school holds for their child(ren). Please ensure these forms are returned to the school by Friday of this week.

If all the information is returned, each parent will receive a text message with a verifying link to download the app for their class. It is hoped that this will be a secure platform to send reminders and notifications directly related to the class or whole school events.

Please return your data sheet ASAP so that we can start using our app as soon as possible.

If any of your details have changed from last year, please amend your data information accordingly. If your details change during the course of this year, please let the office know as soon as possible.

Also, please inform us of any new or relevant medical details which should be amended or added to your child's records.

DECLARATIONS

Tomorrow (Tuesday 23rd Sept) parents will receive a text with a link for each of their children to grant permission for data protections, photographs, policies and procedures etc.

All Nursery and Primary 1 families will receive paper copies of the policies. Policies are all on the school website for P2-7 parents to view. If you wish to receive a paper copy, please notify the office.

SCHOOL DINNERS

The price of school dinners is £2.60 per day.

Children should bring their dinner money to school in a **labelled wallet or envelope** to ensure money does not go missing. Each classroom has a box for storing the wallets during the school day. The canteen staff collect dinner money directly from the children.

The menu is included on this newsletter and is also on the school website. If you have any queries or concerns, please contact the office to speak to Joanne (School Cook).

FREE SCHOOL MEAL FORMS

Applications must be renewed annually or if circumstances change.

Forms are available from the school office or online: www.eani.org.uk/financial-help/free-school-meals

HEALTHY EATING POLICY

St Mary's is part of the Healthy Eating School Initiative. We try to encourage the children to make healthy choices for snack and lunch. We ask that all parents/guardians support us in the implementation of this policy at lunchtimes.

Children are encouraged to eat their sandwiches/bread items first before yoghurts and fruit. **No crisps, chocolate (including small chocolate bars/chocolate spread, fizzy drinks)** should be part of a child's snack or lunch. We ask for your full co-operation please.

The Student's Council introduced 'Everything in Moderation' Treat Day on Mondays.

Lunch children are allowed to bring one small treat such as a fun-sized bar in their lunch. **No crisps are allowed.** The Student's Council have agreed a list of suggested foods which is visible in all classrooms.

All children are encouraged to bring a **WATER BOTTLE** to school every day as the water fountains require a cup/bottle. They are welcome to refill them throughout the day.

SNACK

Children should bring one *small snack* to school each day such as a plain biscuit or piece of fruit to have at break time. Please do not send sandwiches as break time is very close to lunchtime when the children have more time to eat something more substantial.

23rd Sept 2024

Dear Parent/Carer,

I am writing to update you about our school's participation in Operation Encompass. Operation Encompass is an early intervention partnership between Police and Schools. It is aimed at supporting children who are victims of domestic violence.

Operation Encompass is already established across all of England and Wales and is now coming to Northern Ireland. It is a very simple idea, but one that will help us to support and protect vulnerable children. When the Police attend an incident of domestic violence where one of our pupils is present, they will inform the school's Designated Teacher for Child Protection at the start of the next school day. This information is shared in strict confidence and school staff are only told on a need-to-know basis.

Following any notification from the PSNI, our staff will provide immediate support to any child who has been the victim of domestic abuse. We know that when children do witness domestic abuse at home, this is a highly traumatic experience for them. By taking part in Operation Encompass, we can provide tailored and compassionate support to our pupils, in line with our school ethos. This builds on our existing commitment to child safeguarding.

Should you wish to find out more information, please contact the school's Designated Teacher for Child Protection Mrs Claire McWilliams or alternatively you can read more about Operation Encompass at www.operationencompass.org.

Kind Regards

Mrs McCann
