Registration alone does not guarantee a place in the school. Decisions in relation to applications for enrolment are made by the Board of Management in accordance with the Admissions policy.

It is the duty of parents to ensure that with the Application Form the School Secretary has all of the following:

- A. An original birth certificate and a copy of a birth certificate must be included with the application
- B. Two of the following as proof of address (these must be dated within two months of application)
 - Electricity Bill
 - Gas Bill
 - Phone Bill
 - Lease Agreement
- C. A recent (dated within 2 years of the proposed admission date) psychological assessment or a report from a member of a multi-disciplinary team referring to the child for whom a place is being sought must be included with the application. A multi-disciplinary team may consist of a Clinical Psychologist, Occupational Therapist, Speech and Language Therapist, Social Worker and Physiotherapist. Please note that all reports (Speech and language, Occupational Therapy, Psychological etc.) in operation on a child should be provided to the school for assessment

by the Admissions Team. The withholding of reports from the school Admissions Team may invalidate an enrolment application at any time;

- D. Evidence that the child has a primary diagnosis of Autism/Autistic Spectrum Disorder should be made using the DSM-V or DSM-V ICD 10 criteria or equivalent by the Psychologist or a member of the Multidisciplinary Team. If the child also presents with a general learning disability, this diagnosis must also be made using a professionally recognised clinical and psychological assessment procedure.
- E. The diagnostic report must have a specific recommendation that a special class placement in a mainstream school is both necessary and suitable for the child. The child should have the potential to be included in a mainstream class (independence for the full school day with SNA access) with his/her age-based cohort before leaving Primary School;
- F. The parents of the child must accept and agree to the school's Code of Behaviour and the terms of this policy;
- G. Receipt of acknowledgment of an enrolment application by the school does not constitute an offer of a place nor does it guarantee a place in the school. It is simply the recording of an application for admission to our school.
- H. An Acceptance Form, as issued by the school, must be returned to the school within the required time period.
