

## Literacy

In **Grammar and Punctuation** we will be learning to:  
Recognise digraphs and use sounds to suggest and write words.  
Recognise the long and short vowel.  
Use high frequency words correctly.  
Identify, consolidate and write rhyming words.  
Sort letters into alphabetical order.  
Recognise and count syllables in words.

In **Comprehension** we will:  
Read for meaning to select correct spelling to complete sentences.  
Use prior knowledge to find facts.  
Sequence a story to write an appropriate beginning, middle and end.  
Identify an author's name and the different features about a book.

In **Writing** we will be learning to:  
Recount writing – writing about the Christmas holidays.  
Circle Map – Facts about hedgehogs.  
Narrative writing – shared writing including a beginning, middle and end.  
Report writing – Teddy Bear Picnic Invitation.

In **Reading** we will:  
Explore the difference between fiction and non-fiction texts.  
Identify character's feelings.  
Sequence a series of events.

In **Talking and Listening** we will:  
Relate issues in stories to own life experiences.  
Use imagination to create our own characters for a story.  
Talk about new vocabulary within texts.

## Our WAU topic is 'If you go down to the woods today'.

In **WAU** we will be learning about:  
Items to take on a teddy bears' picnic.  
How to care for animals in the Winter.  
To know and name different woodland animals.

# Year 2 Term Two

## U ICT

In **U ICT** our focus is:  
Managing data – tables, spreadsheets and making graphs.

We will be learning to:

- Explore interactive graphing software such as Just2Data and enter data to create a graph.
- Express ideas digitally and talk about what I have made and how I made it.
- Print my work with adult support.

Learning Together

## Numeracy

In **Number** we will be learning to:  
Add on zero to a given number within 10.  
Recognise number more than/less than a given number.  
Adding on up to 5 within 15.  
Double a number.  
Count on from a given number within 20.  
Count in twos, fives and tens.  
Count backwards within 20.  
Number stories and number bonds to 7.  
Give a number to a set of objects.  
Use function machines to add and subtract numbers up to 20.

In **Measures** we will be learning to:  
Investigate and understand Capacity.  
Recognise and show o'clock and half past on a clock.  
Count and use money, give change.  
To measure the length using non-standard units.

In **Shape and Space** we will be learning to:  
The find the rule or pattern for a set of given shapes.  
Recall and describe common 3D shapes.  
Name common 2D shapes, describe key features.  
Sort shapes by properties and colour.

In **Handling Data** we will be learning to:  
Use a Venn diagrams to sort objects and explain their reasoning.  
Sort objects using a tree diagram.  
To sort items using a Carroll Diagram.

In **Processes** we will be learning to:  
Use directional language to follow a route.  
Recognise mathematical terminology e.g. the word subtraction.  
To be able to solve a problem by using equipment or by drawing a picture.  
Follow one step and two step instructions.

## Other things that will be happening:

Year 2 RS Foundation Stage Assembly.

Year 2 SMcL Foundation Stage Assembly.
