## Bookings

If your child is unwell we can move your child's dinner booking to another day.

If your child is unwell or unable to attend we are unfortunately unable to move bookings for Breakfast Club and After School Clubs etc. to another day, due to having to pay the linked staff.

Please ensure to book on time, late bookings unfortunately cause additional administration within the school and so have a higher linked charge.

## Stay and Play Club

Our after school Stay and Play Club is available for Y1—3 pupils.

Stay and Play Club will cost £3.50 per session and run from 2–3pm.

Bookings must be made by 12 noon on a Friday for the following week. We cannot stress the importance of this as it allows us to appropriately plan staffing and space requirements for the following week.

If a parent/carer needs to book their child in at short notice, we would ask them to complete a Communication form on the school app to request a space.

You will then be contacted by school and if a space is available it will cost £5 for the session.

## Activity/Homework Club

Our after school Activity/Homework Club is available for Y1—7 pupils.

Activity/Homework Club will cost £3.50 per session and run from 3–4pm.

Bookings must be made by 12 noon on a Friday for the following week. We cannot stress the importance of this as it allows us to appropriately plan staffing and space requirements for the following week.

If a parent/carer needs to book their child in at short notice, we would ask them to complete a Communication form on the school app to request a space.

You will then be contacted by school and if a space is available it will cost £5 for the session.

## HOME/SCHOOL LINKS

Every effort is made to maintain close contact with parents/carers, who should not hesitate to get in touch with their child's class teacher on any matter affecting the welfare, progress or development of their child/ren.

Should a parent/carer have any concerns about their child, we would encourage them to make immediate contact with their child's class teacher in the following ways:-

Contact school in one of these two ways:-

- Ring the school office – 028 276 62340 – and speak to the school's Senior Clerical Officer to make an appointment with your child's class teacher.
- Complete an online Communication Form available on the school app.

Your child's class teacher will be contacted and a time for a phone call/meeting will be organised as appropriate.

If a further phone call or meeting is required, please ring the school office and speak to the school's Senior Clerical Officer or complete an online Communication Form. The most appropriate member of the Senior Leadership Team will also be involved.

If a further phone call or meeting is required, please ring the school office and speak to the school's Senior Clerical Officer or complete an online Communication Form to make an appointment with the Principal.

*Please note the relevant member of staff will return your call or organise an appointment when it is practical to do so. Unfortunately, as you can appreciate with staff completing their roles, phone calls and appointments cannot be returned/arranged immediately.*

**OPERATION  
ENCOMPASS**

In every force. In every school. For every child.

We are an Operation Encompass School, for more information please go to the school website and within the Parents-Carers Area more information can be found .

## Good Communication

At Ballymoney Model we are eager for good communication between home and school. As an Eco-School we are also trying to reduce the amount of photocopying that we do by communicating with parents/carers through our school apps and website. If you are unable to access the school apps and website please contact the school office and we will endeavour to help you find a solution.

### School Facebook Page

We share what is happening within school with our local community through our school Facebook page.

Please endeavour to ensure your child/ren is/are in school for 8.55am to start their learning at 9.00am. Too many pupils are arriving late and this is impacting on their own and the rest of their class's learning.

Within school we have a large number of policies. Each year we endeavour to review a number of our policies. As we work through reviewing our policies, we will share with parents/carers through the school app.

### School Office Hours

Monday — Thursday 8.45am — 4pm      Friday 8.45am — 3.30pm

Closed at lunchtime 1.00 — 1.30pm

Our phone line is always very busy, we encourage parents/carers to communicate with school through completing a Contact School Form on the School App.

## ALLERGIES

Many parents/carers are now aware of the increasing number of children who suffer allergic reactions. A child with an allergy can be affected even if, for example, the product that they are allergic to is in someone else's lunchbox or on someone's hands following eating the product. We have a number of pupils with allergies in the school and therefore ask that everyone cooperates by not sending in the following products.

All nuts including horse chestnuts  
Eggs - hard boiled and egg sandwiches

Any breaks or packed lunches brought into school must not contain the above products.

PLEASE NOTE: Many chocolate spreads DO contain nuts. Please check ingredients carefully.

Recyclable materials e.g. cardboard from products containing nuts must not be brought into school for junk art.

Unfortunately, due to issues arising from the labelling of products, birthday cakes must not be sent into school.

It is parents/carers' responsibility to make sure any medication that is held in school for their child is in date.
