

OMAGH COUNTY PRIMARY SCHOOL UNIFORM 2024-2025

Dear Parents / Carers,

Over the last two years we have had to make many adaptations within school, many of which we are delighted we no longer have to keep in place.

However, one change we did make was the introduction of a school PE kit which can be worn both indoors and outdoors. The new PE half zipped tops and black bottoms have been very popular and positively received by both pupils and parents in terms of their versatility and design.

The wearing of our school PE kit on PE /Outdoor Learning days is one change we are keen to maintain. Children will therefore be allowed/expected to wear PE kits on PE/Outdoor Learning days.
