Dear Parents and Carers

We will be celebrating Safer Internet Day during the week beginning Mon 3rd February 2025.

Safer Internet Day is a global campaign to promote the safe and responsible use of technology, which calls on young people, parents, carers and teachers to help create a better internet.

This year the campaign will be focusing on the theme 'Too good to be true? Protecting yourself and others from scams online'. This Safer Internet Day we will assess the real scale of this issue and allow young people to share their experiences and ideas on how to tackle the problem.

Using the internet safely is a key message that we promote in Annalong Primary School, and celebrating Safer Internet Day is a great opportunity for us to re-emphasise the online safety messages we deliver throughout the year.

We would be delighted if you could join us in celebrating the day by continuing the conversation at home. To help you with this, the UK Safer Internet Centre have created some free activities and information for parents and carers which are available at:

<https://saferinternet.org.uk/guide-and-resource/parents-and-carers>

Whether you have 5 minutes to start a conversation or hours to spare (!), there are top tips, quizzes and films which you can use at home with your child. Please plan to use some of these with your child during this week.

Regards

L. Freel
