### **Back to School News**

Dear Parents / Guardians,

I cannot thank you all enough for your patience and support in making this year's return to school such a positive experience for all.

As always a few bumps in the road meant communication was not as clear as I had hoped and we had to make some changes to plans very early on. However, again your understanding in these matters have been a great support to us.

### **Parent Pay: Breakfast Club and After School Club available to book online.**

For those families who are joining us this year or who are not yet familiar with our Parent Pay system, I am pleased to say that all pupils now have access for booking Dinners, Breakfast Club and After School Club.

A letter for each of the P1 pupils was sent home today. If you require support in getting registered over the weekend, please use the contact Parent Pay by clicking the 'help' link at the bottom of their login page,

<https://www.parentpay.com/>

This system not only reduces the amount of time it takes to process payments but it also helps to stop the spread of infection with cash payments. Therefore, I would like to thank all of you who have already signed up and encourage every family to register as soon as possible.

### **20mph Speed Limit: 20 is plenty**

We are delighted to have had confirmation of yesterday's news that we are one of the 106 schools to be included in Phase 2 of the part-time 20mph speed limit scheme.

I would like to thank all of you who campaigned, wrote letters or lobbied our local MLAs, as this speed limit will help to make drop off and collection at the school even safer.

### **Farm to Food**

Our whole school topic this term is Farm to Food. Pupils have already begun exploring the important relationship that farming and food have and we would be grateful for any ideas or offers of support that help to bring this topic alive.

Please send any thoughts or comments to me at [emccaffery943@c2kni.net](mailto:emccaffery943@c2kni.net)

Many thanks

Emily McCaffery  
Interim Principal.
