<p>Parish Mass: Well done to the children from P5/6 who took part in the Liturgy yesterday. Next week children from P3/4 will attend the 9.30am mass.</p>
<p>Primary 2/3 Assembly: The children in P2/3 will present their assembly on Monday 23rd May at 10.00am. Parents and family members are warmly invited to attend. We also hope to make our presentation to Trocaire at this time.</p>
<p>NSPCC: Pupils who returned the appropriate consent forms will participate in the children's survey element of this project next week.</p>
<p>Pupil Health & Welfare: There has been an outbreak in local schools of a virulent strain of chicken pox. Advice has also been issued that parents should NOT administer Nurofen / Ibrufen to control a child's temperature when they have contracted chicken pox. The active ingredients in this medication can worsen the infection of the disease. Treatment with Calpol is recommended. Public Health information advises that a child is kept off school for 5 days following the appearance of spots.</p>
<p>Transport Assistance: Any new parent who believes they might be eligible for transport assistance (Rooney bus) is asked to contact school for the appropriate application form and details. Any family currently in receipt of transport assistance should receive a form directly to home for completion, before the end of May, if they haven't received so already.</p>
<p>End of Year Mass: Please note the date for our End of Year Mass and Primary 7 Presentation Ceremony will be Tuesday 21st June at 10.00am.</p>
<p>P7 Post Primary Placement: Parents of children in Primary 7 will receive a letter next Saturday 28th May denoting which school their child has been enrolled in for September 2016. <p>Kilbroney Cross Country: This year's event takes place on Tuesday 24th May at 10.00am in Kilbroney Park. All P4-6 children who returned the Reply Slip should be collected from school at 9.30am and brought to the lower car park area of Kilbroney Park. Races are due to start at 10.00am, we must register all children in attendance on the morning. Races commence with P4 – (4 races) then P5 and so on. Parents are free to take their children home after their child's race, stay for the remaining races, or return to school if they wish to receive their dinner.</p>
<p>ECO- Schools Beach Clean: This Term, we have a Sponsored Environmental Beach Clean scheduled to take place on Monday 13th June. Each family should have received an explanatory letter and each child will have received a Sponsor Form to assist with the activity. Similar to last year, we are hoping as many of our adult 'volunteers' will be able to assist us on the day.</p>

<p>Future Events: We are scheduled to have our Sports Day on Friday 3rd June. As in recent years, we are looking for parents and family members to act as Team Leaders for our 'Alternative Sports' activities in the morning. Please return all outstanding notes.</p>

The course is continuous assessment and any pupil missing any of the lessons will ultimately be unable to successfully complete the programme. The children have received the details.</p>
<p>Kilbroney Cross Country: This year's event takes place next Tuesday 24th May at 10.00am in Kilbroney Park. All P4-6 children selected to attend were today given a note detailing times and arrangements for Tuesday. We ask that all children attending, come in to school in the morning to confirm their attendance and race entries. <p>ACTIV SPORT: We have great numbers attending our afterschool activities on Thursday. We would ask that children ensure they bring a fleece top / light coat to school on the days of the Activsport as they will invariably be outside for activities.</p>
<p>ECO-Schools: Don't forget to recycle any unwanted clothing and textiles in aid of our final 'Cash for Clobber' Collection. Please note we need all your unwanted clobber on or before Tuesday 24th May.</p>
