

Scoil Maelruain Senior Update- 14ú Samhain 2025

Creative Week 2025/26

We are delighted to celebrate Creative/Wellbeing Week 2025 in Scoil Maelruain Senior this coming week, with this year's theme of Friendship, linking with Bí Cineálta. Throughout the week, children will replace regular homework with a special Creative/Wellbeing Homework Grid, completing one or two activities each evening. Mornings will be filled with fun, optional activities such as Yoga, Lego, Free Art, Just Dance, and Wake-Up Shake-Up on Friday. There will also be a whole-school Creative Competition on the theme of Friendship, with entries due Thursday and winners announced Friday. To finish off the week, children can look forward to an Anything But a Bag Day and a possible ice-lolly treat. We look forward to a great week of creativity, kindness, and fun!

Christmas Lights

The Christmas lights have officially been switched on in Dublin city centre, bringing a festive glow to Henry Street and 24 other streets across the capital. This year's lighting ceremony was made even more special as one of the honorary switch-on helpers was our very own Scoil Maelruain Senior pupil, eight-year-old Darcie Gavin, who proudly took on the role alongside seven-year-old Liam Tomney also from Tallaght.
