# **Admission Policy of Holywell Educate Together National School**

**School Address: Holywell, Swords, Co. Dublin K67AP99**

**Roll number: 20348F**

**School Patron: Educate Together**

## **1. Introduction**

This Admission Policy complies with the requirements of the Education Act 1998, the Education (Admission to Schools) Act 2018 and the Equal Status Act 2000. In drafting this policy, the board of management of the school has consulted with school staff, the school patron and with parents of children attending the school.

The policy was approved by the school patron on 16/07/2025. It is published on the school's website and will be made available in hardcopy, upon request, to any person who requests it.

The relevant dates and timelines for Holywell ETNS's admission process are set out in the school's annual admission notice which is published annually on the school's website at least one week before the commencement of the admission process for the school year concerned.

This policy must be read in conjunction with the annual admission notice for the school year concerned.

The application form for admission is published on the school's website and will be made available in hardcopy on request to any person who requests it.

## **2. Characteristic spirit and general objectives of the school**

Educate Together schools are committed to the values set out in Educate Together's Charter. Our schools are learner-centred, equality-based, co-educational and democratically-run. This means that all members of the school community, whatever their social, cultural or belief background, work together in an atmosphere of dignity and respect. Students follow an Ethical Education curriculum, learning about morality and spirituality; equality and justice; belief systems and an ethical approach to the environment. This teaches students about different belief systems as well as atheism, agnosticism and humanism, without promoting any one worldview over another. Our equality-based ethos informs all policies and practices in the daily life of the school. In exercising its policy-making and decision-making responsibilities, the school's manager/board of management upholds the characteristic spirit of the school.

Educate Together schools provide for equality of access and a child / learner-centred approach in line with the Educate Together Charter. They prioritise offering places to siblings of children in the school at the same time.

The definition of a sibling in this policy includes stepsiblings and foster siblings who are enrolled in the school at the same time.

### 3. Admission Statement
