# Testimonials

I love Rockmount N.S. because it is small but mighty! I get to see my friends every day and the teachers are kind and helpful. We get to do lots of different things like surfing, badminton and basketball. We also have a lot of fun days like a pyjamas party day and Active School Week.

## Current Pupil

Rockmount is a wonderful school — more than just a school, it's a community. We're very happy to recommend Rockmount to any parent, especially those looking for a warm and nurturing place for their little ones.

## About Us

Rockmount National School is a rural primary school located just five kilometres from Miltown Malbay, Co. Clare. Surrounded by picturesque countryside, we are proud of our close-knit, supportive community, where each child is known individually and nurtured to grow academically, socially and personally.

Alongside a commitment to academic excellence, we cultivate values of kindness, respect and responsibility and integrate modern technology and creative learning to prepare our students for the future. The school is well resourced, with excellent facilities that support active learning, creativity and sport.

## Why Choose Rockmount N.S.?

A school where every child is supported to reach their potential.

Academic education and character development in small class sizes and a close-knit school community.

Strong emphasis on creativity, the arts and sport.

Classrooms with interactive flatscreen whiteboards, a modern multi-purpose hall, outdoor play areas & school pitch.
