### **Next Steps**

We aim to contact families within a few days of the application closing to confirm allocated days and hours for the year ahead.

Please note: **Places will only be confirmed once paperwork is completed and contracts are signed**, following an information meeting.

We plan to hold a **family information session** before the end of term for those allocated a place. This will cover:

- How the service will operate

- Programme structure
  - Payment options and potential cost reductions
- 

### **Working Together**

As this is a **new initiative with new staff**, we kindly ask for your patience and support as we establish and refine the service. We are committed to learning and improving as we go.

We will continue to work alongside **ActivityNI**, who will offer after-school clubs on a **pay-as-you-go** basis via monthly or next-day online booking. They are also exploring the possibility of extending their hours to align with our WrapAround provision.

We hope to introduce additional options and layers of support over the coming year, but our priority right now is to **embed and strengthen our core offering**.
