Dear Parent,

This may indeed be the last newsletter as the new website stsciresps.com allows us to keep you informed in ways which were not previously possible. I will send you a link to a Microsoft Form to evaluate if there is demand for a newsletter.

This term was dominated by participation in inter school competitions. Representing your school is an achievement in itself and I wish to pay tribute to our quiz teams in particular who invested a lot of time brushing up on various topics. Our GAA Quiz team contested the west Tyrone Heat, we also participated in the Road Safety Quiz, Credit Union Quiz where we secured 1st & 3rd Place in the U-11 category, and 2nd in U-13 event. The girls won their heat of Indoor Gaelic 5-a-side competition & qualified for the county final. Our P5 class participated in an historic first Hurling Blitz in Fintona.

Trips to the American Folk Park (P3-4) and Armagh Planetarium (P5-6) & Lough Derg (P7) also provided pupils with learning experiences out of the classroom.

The assemblies this term P2-3 St Patrick, P5-6 Easter 'Stations of the Cross' & P3-4 Grandparents Assembly. These occasions presented pupils with an opportunity to express themselves in front of a large crowd. Whilst many may have felt nervous they persevered, this is all part of developing resilience and they can be justifiably very proud of themselves.

After the Easter Break we encourage as many pupils as possible to participate in the Daily Mile. The well-being feeling generated by participation in physical exercise is well known and should be encouraged. Walk to School was a huge success.

CASH FOR CLOBBER: Bags to be left in changing rooms at 'Wee GAA Pitch' from Wed 23rd April to Tues 6th May 10am-6pm. Please DO NOT LEAVE BAGS OUTSIDE THE DOOR

Inter School Success

CU U-11 Quiz Winners: Team: Maisie, David, Tomas & Isibéal

Clockwise, P3/4 enjoy trip to 'Folk Park', hurling blitz, Mr O'Donnell appreciated by all & P5/6 visit Armagh Planetarium.

SACRAMENTS

Congratulations also to P4 who recently made their First Confession. I wish to thank Mrs Mc Caughey for her thorough preparation of the pupils. Preparations are ongoing for the sacraments of EUCHARIST Sat 17th May & CONFIRMATION Sat 3rd May.

GAEILGE

Irish Language continues to grow in St Scire's thanks to Michelle Furey. Our P7's represented us in a gaelic Blitz organised by Tempo GAA to promote using 'Irish phrases' during games. Amiee won a prize for her use of 'Irish' during the games.

WORLD BOOK DAY

WORLD BOOK DAY was celebrated in order to maintain the high profile of reading in our school as usual costumes were excellent. Parental support of the Book Fair was phenomenal & a number of parents attended a Reading Workshop delivered by Briege Devlin.

ACCELERATED READING In attempting to maintain our overall standards & even raise the bar further the Accelerated Reading programme plays a crucial role. This term 93% of our P3-P7 pupils met their target and were rewarded with an easter egg. Tickets for an Easter Egg raffle were allocated on % of target achieved. I urge all parents to encourage & motivate your child/ren to read every night as the impact this will have on life long learning is immense. The correlation between reading & educational achievement is huge so please help your children succeed.
