

INTERNET SAFETY

Today we have sent you a link to an Internet Safety Information presentation. Please watch this with your child at home - particularly P4-7 pupils.

PARENTS – ESSENTIAL NOTE

Please note we have a number of Covid-19 positive parents now related to our school. This affects their families, pupils and can affect whole classes, and other families. Please stay safe – wash hands prolifically and wear face coverings/keep distanced at all times. Many families are trying their best but are still contracting this virus. **If you are showing symptoms or are getting tested – please do not send your child to school.*

OPEN MORNING – VIRTUAL TOUR

Any new parent, who would normally be invited to school for a tour, will be sent a link to our virtual tour of school.

Please ensure friends and family email us to get this link forwarded in January. Contact our school office or email kmulligan818@c2kni.net

FLU VACCINATIONS

Any pupil who was unwell and unable to attend the flu vaccinations over Half Term will receive a letter from our school nurse. Please watch out for this on Seesaw – it is essential you read this letter.

PHOTOGRAPHS

We will have our school photographs of pupils next week. Staff will distribute these to pupils to deliver to you. We will try to get a dry day to send them out! We hope you will be happy with the production of these.

PRIMARY 7

At present our P7 pupils are planned to sit their AQE Tests in January. This will mean an extension of preparation November to January. P7 staff are working hard to do this preparation as creatively as possible – particularly over the Christmas term dates and holidays. Should these Tests not be possible, for Covid-19 reasons, all post primary schools have been instructed by DE to have emergency entrance criteria for 2021. We will keep you informed of any changes.

CHRISTMAS “FESTIVITIES.”

Things are a little different for us all this year but we are endeavouring to enjoy some of the lovely things we do at Christmas in a different way. More details will follow next week.

ROAD SAFETY FOCUS FORTNIGHT

16th – 27th November 2020

The school will be holding a Road Safety Focus over the next two weeks. The pupils will be looking at a number of road safety issues including ‘Being Safe and Seen’ on these darker mornings and evenings. As such, we are encouraging the children to wear something bright or reflective each morning during Road Safety Week. Coats/hats/scarves/gloves etc in colours such as red, white, yellow, bright blue/green, or of a reflective material, are most suitable. It would be great to see parents/carers joining in and setting an example.

Please **KEEP BRIGHT** in the winter months when it can be so dark.
