

PARENTS

Thank you for your support with our alternative Sports Days this year. We are over half way now with 4 out of 7 days completed. The children have all been fabulous and the weather kind.

Our sponsored events in the afternoons have also been much enjoyed. Thank you to everyone who has supported us financially in this area this year so far.

It has been much appreciated.

CHILDLINE

Our Childline Child Protection training videos will be used next week to share important messages with pupils about how to keep themselves safe.

Please ensure you have responded to your child's class teacher about consent. You will have received a message on Seesaw about this.

P7 PUPILS & PARENTS

P7 pupils will receive their school placements for Yr 8 on Saturday. We wish everyone a very positive outcome in this.

Parents please take note of the information sent to you this past week on Seesaw about how to access EA help if you need it on Saturday.

Also – please remember, these choice/allocations may possibly change at your request in the coming days, weeks, months as pupils move about. This is only the “start” of the process for some P7s.

We are always here to help with this after the weekend.

VERY IMPORTANT
PLEASE PASS ON TO OTHER PARENTS

The attached letter, containing photographs, has been sent to us by the Department of Education. It is an important notice for parents of pupils (all age groups). Please read and ensure your children are not exposed to these “sweets.”

Thank you for taking the time to read this important information.

Introducing the Summer Reading Challenge 2021 Wild World Heroes, Summer Reading Challenge 2021; a celebration of nature and action for the environment, in partnership with WWF UK arriving online and in libraries across Northern Ireland this summer.

What's it all about?

Children age 4-11 can join the Wild World Heroes for this year's Summer Reading Challenge to discover how they can make a difference to the environment and be inspired to stand up for the planet. There will be amazing books, awesome rewards and plenty of ideas too!

How does it work?

The Summer Reading Challenge will take place from 19 June until 18 September. Children can sign-up at their local library, choose their reading goal and then read any books to collect special stickers and other rewards along the way – all for FREE. There is a digital platform too so the fun can carry on at home.

Everyone who completes this personal challenge will receive a certificate and medal. Events and activities will take place throughout the summer online and possible face-to-face depending on guidelines issued by the Northern Ireland Executive.

Why should children take part?

Children's reading can 'dip' during the long summer holidays if they do not have regular access to books and encouragement to read for pleasure.

The Reading Agency's annual Summer Reading Challenge really helps by getting over 700,000 regularly into libraries over the summer, with thousands more taking part online.

There is no further reading activity that involves so many children, introduces families to their library, encourages children to read books freely and independently and is endorsed by parents and children. Go on - have a go!
