**SPONSORED ACTIVITIES**

We were overwhelmed by the fantastic response to our recent sponsored skip and Tigger jump activities undertaken by the children. Money is still coming in and to date we have raised a fabulous £7,500 for school funds. We continue to be amazed by parents' and families' support for our school.

*Again a huge ..... Thank you!*

**SUMMER OF PLAY**

PlayBoard NI has joined with other organisations across the UK to call for children's play to be prioritised this summer.

Summer of Play campaigners including charities, businesses and child development experts are asking organisations to pledge to support a Summer of Play to help bolster children's mental and physical health as the Covid-19 restrictions ease.

Play is vital for children's physical and mental health and development. Coronavirus restrictions have limited some children's access to play and outdoor activities. It is hoped that this campaign will help children get opportunities they need to play and have fun.

Pledge your support for children to have space and time for play this summer by supporting fun, friends and freedom! Organisations and individuals can pledge support and find out more about the Summer of Play campaign at [www.summerofplay.co.uk](http://www.summerofplay.co.uk) Get involved and show your support on social media using #SummerOfPlay and #FunFriendsFreedom.
