CONGRATULATIONS

Congratulations to Mrs Drury Mulligan who had a little boy and Mrs McNeilly who had a little girl this past term.

Both mums and babies are doing very well. Every blessing to their families in the days ahead.

EASTER

Easter is a special time for us in school and we celebrate the Easter Story with our pupils.

We hope you enjoy the Easter story in song we will share with you on Seesaw. We wish all our families a very Happy Easter and every blessing for the holiday ahead.

Thank you to Mr Scott and the pupils/staff involved in the making of this Easter message.

ACCELERATED READER SCHEME

Well done to all of Primary 4 to Primary 7 readers who have made great progress in our Accelerated Reader Scheme this Term. MANY have reached their target which is excellent. Others have read and enjoyed books, quizzing as they've gone along to show their understanding, earning tokens and boosting their class score. This is super!

When the scores have been added up for the 'biggest increase' in accuracy of quizzing in Term 2, the winning class in each year group is as follows:

P4SB P5JS P6DA P7NG

A special word of congratulations should be given to our Millionaire Readers - those who have read at least a million words! These totals accumulate throughout the year so there are many more who are set to reach at least a million words read in Term 3. *Keep going!*
