

MAY FAIR

We have been informed that the May Fair is going to take place on Tuesday 24th May. This is a traditional event in our town and we are delighted to see it return for our community. Children in our town are free to attend the afternoon of the Fair Day. All pupils will leave school at 12:00 on this day.

Practical Points:

- Children leave at 12:00 via their normal exit door.
- Free School Meals children will get their packed lunch home with them.
- All pupils will wear their school uniform to school as normal.
- No homework will be given so all pupils will leave their workbook bags in school on this day.
- Younger pupils will be released from school to an adult, in the usual way.

Further activities related to the May Fair Week can be found on social media. We hope you get to enjoy some of them with your family.
