

Marymount NS Parents Association Social Media Policy

Objectives

The purpose of Parent's Association Social Media forum is to communicate and share information regarding school events and activities of the Parent's Association. There is no messaging service attached to the social media forum. All correspondence with the Parents' Association is by email to parentscouncil@marymountgns.ie.

Content

The platform our Parents Association will use is Facebook

Only parents of current students and current full-time staff of Marymount National School are permitted to be members of the forum.

The nominated Parent Association members that will be responsible for the Social Media Forums are

1. Ciara Lambe
2. Sarah Brady

New parents must be verified by providing information via the members questions on who their child is and which class they are in, to the PA nominated members (Admin).

The nominated members will undertake to liaise with the principal and manage the Parent's Association Social Media content.

The school website and Marymount National School's Facebook Page are the official platforms for reproducing photographs of the children. The Parents Association Social Media Pages are for communicating and sharing information regarding school events only. At all times maintain people's privacy regarding event photos – not everyone wants their picture on social media.

The Parent's Association is in no way involved in the running or management of the school. Should parents have a grievance with school personnel, please contact the school directly where you will be directed towards the Parental Complaints Procedures. The Parents Association does not get involved in individual grievances.

The PA social media forums are a representation of Marymount National School. Where possible, all notification for school events must be in text or type to maintain a professional appearance.

The PA reserves the right to remove any members.

This policy was created by the Parents Association in October 2024.

The policy was ratified by the Board of Management on 18th November 2024.
