Admissions Arrangements

**St. Francis'
Primary School, Aghaderg**

ADMISSIONS 2020—2021

Application must now be made via
the Education Authority's online
portal from 7th — 30th January.

www.eani.org.uk/admissions

At St Francis' PS Aghaderg we operate an
'open door' policy in relation to enquiries
regarding admission to the school. There
is NO specified Open Day. Rather parents
are asked to contact the school to arrange
a visit to the school. We believe that this
personal approach allows parents time to
discuss fully the admissions process.

Appointments can be made up to 20th
December and from 6th - 29th January.
