

Your child's school is working with [360 Bia Óg](#) to deliver hot meals under the Hot School Meals Programme. You'll soon receive a welcome email directly from 360 Bia Óg with your child's details and next steps.

SAVE OUR CONTACT DETAILS

This helps your onboarding email arrive safely and avoids hitting future emails hitting the junk folder.

About the shared information

To set up the service correctly, the school will share:

- parent email addresses
- children's names
- class/teacher lists

This is standard for the Hot School Meals Programme. The school remains the Data Controller.

360 Bia Óg acts as the Data Processor, using the information only to prepare and deliver meals safely.

WHAT HAPPENS NEXT

All instructions on menus, allergens, and how to update your child's choices will come directly from 360 Bia Óg in their welcome email. If you have questions about meals or menu changes, they will guide you once their email arrives.

FOR NOW

Keep an eye out for the welcome email from 360 Bia Óg. Everything else will be explained there.
