

# LOUGHSHORE PROFESSIONAL LEARNING COMMUNITY

## Empowering Rural Learners Together

### WHO WE ARE

The Loughshore Learning Cluster is a partnership of five vibrant rural primary schools:

- Ballylifford Primary School
- Derrychrin Primary School
- St Patrick's Primary School, Mullinahoe
- St Patrick's Primary School, The Loup
- St Peter's Primary School and Nursery Unit, Moortown

Together, we form a united educational community dedicated to collaboration, innovation and excellence.

### OUR VISION

We envision a shared transformative educational environment where every learner is empowered to reach their full potential.

Our cluster aims to build a vibrant, inclusive community of collaborative learners, educators and families. We are committed to fostering innovation, celebrating diversity and promoting excellence in education. By working together, we inspire lifelong learning, nurture curiosity and equip individuals with the skills and confidence to thrive in an ever-evolving world.

We believe in the power of shared leadership, student voice and community engagement to shape meaningful learning experiences. Our vision is rooted in the belief that every child matters and that through unity and creativity, we can unlock the full potential of every learner.

### OUR MISSION

Our mission is to build a high-quality, inclusive educational community that supports every child's growth.

- Foster **intellectual, social and emotional development** in all learners
- Promote **diversity, critical thinking and creativity**
- Encourage **resilience** and a love for learning
- Share **best practices** and collaborate across schools
- Support **innovative teaching** and learning strategies
- Invest in **continuous professional development** for staff
- Prepare students for success in their **academic journeys** and **future careers**

**Together, we create an environment where every student is valued, supported and inspired to thrive.**

By sharing good practice and working as one.  
we are shaping a brighter future for our children
