CONSENT FORM FOR PHOTOGRAPHS AND FOOTAGE

Photographs and recordings of pupils for school, family and press are a source of pride to both the pupils and their families/legal guardians. Taking, keeping and publishing photographs and video footage involves processing personal data under data protection laws.

To enable us to comply with our obligations under the General Data Protection Regulation, we are required to obtain express consent to the use of a pupil's image for example in school displays, performances, newsletters, prospectus and our social media platforms.

In all instances below, the image or footage may be of an individual, small group, class or classes. Where pupils are named, we will use first names only unless we have sought prior permission from you to publish full names (*newspaper and media companies will often use a full name and we will not seek further permission for this). We will only use photographs and footage where pupils are appropriately dressed to reduce the risk of inappropriate use of the images or footage.

Parents/legal guardians of pupils under the age of 13 are required to complete this form on behalf of the pupil.

Please be aware that websites and social media can be viewed throughout the world and not just in the United Kingdom where UK law applies. Our current social media account is only the school website (www.stpatricksloup.co.uk) and twitter (@stpatricksloup).
